Dear Vince

Thank you for your generous donation and the support for the work Legacy does to care for the families of those who served their country.

Legacy is keeping the promise to care for around 40,000 beneficiaries with an immediate family member who has died or given their health in the line of duty. We stand ready to support the families of thousands of Australian Defence Force men and women on operations, at home and around the globe.

We thank you for your support and look forward to your ongoing interest in our uniquely Australian organisation.

Chairman
